OPENING

TELLY TICKET

Hello neighbors! Didn't you all have fun at the [Fun Fair] today? (Wait for reply) Well I was just waiting for Godwin to show up. I don't know where he's been since I kicked him out of my ticket booth.

Godwin flies in. Play Flying sound effect and crash sound effect.

GODWIN MERRYFEATHER

That landings getting better and better! (Godwin pops up.) Why hello Telly and hello neighbors!

TELLY TICKET

Why Godwin, where have you been?

GODWIN MERRYFEATHER

Sorry I'm late Telly. I had to fly from all the way on the other side of town. That's where the tree my new nest is in.

TELLY TICKET

All the way on the other side of town? But Godwin, there are trees right across the street you could build your nest in. And there are bushes right here at the church you could build your nest in. Why'd you go all the way to the other side of town?

GODWIN MERRYFEATHER

I tried to build a nest in one of the bushes in front of the church but that was too close to the ground.

TELLY TICKET

What do you mean? too close to the ground?

GODWIN MERRYFEATHER

A cat jumped in my nest and tried to eat me. I tawt I taw a pudgy tat. And all the other trees were taken.

(MORE)

GODWIN MERRYFEATHER (cont'd)
Hey Telly? Now that the [Fun Fair]
is over, do you really need this
ticket booth?

TELLY TICKET
Why Godwin?

GODWIN MERRYFEATHER
Well it's too small for you to live
in. You can barely sit down in it
and when you stand up in here you
hit your head on the roof and hurt
yourself.

TELLY TICKET
You're right Godwin, I did do that a
few times today. But I don't plan
on living in it.

GODWIN MERRYFEATHER
So then, can I move back in?

TELLY TICKET
Hum??? (Thinking) I don't see why
not.

GODWIN MERRYFEATHER
And I can move in my television and
my trampoline and my kitchen and my
nest?

TELLY TICKET
Of course, my yourself at home!

GODWIN MERRYFEATHER
Oh boy! And I think I know what I
want to put in this last empty
space over here, a bird bath. A
birds got to say clean... for the
ladies.

This makes me so happy I think we
should sign a song to celebrate.

TELLY TICKET
Ok! How about we sign the VBS theme
song.

(Play VBS Theme Song)

AFTER SONG

GODWIN MERRYFEATHER

It looks like it's time for me to
fly over and see Gulliver in the
backstage tent don't you think
Telly?

TELLY TICKET

But Godwin you can't do that! The
workmen have already taken
Gulliver's tent halfway down.

GODWIN MERRYFEATHER

They've taken Gulliver's tent
down! But where's Gulliver?

TELLY TICKET

Godwin, the fair is
over. Gulliver's gone back on his
travels.

GODWIN MERRYFEATHER

The fair is over? Uhm Telly? Come
here.

Telly comes over so Godwin can whisper into his ear.

TELLY TICKET

Yes Godwin.

GODWIN MERRYFEATHER

I don't think no one told them that
the fair was over. They're still
here! And they're staring at us
waiting for us to entertain them
ever though we don't have any
merry-go-rounds or cotton candies
or cool things from Gulliver.

TELLY TICKET

They're not here for us to
entertain them.

GODWIN MERRYFEATHER

They're here to watch us
be boring? Ok! Let's talk about
Math!

TELLY TICKET

No Godwin! They're hear to tell us
about what they've learned this
week.

GODWIN MERRYFEATHER

You mean like our friendship
phrases? I've been studying them
all week and I know them
all. There's 'Neighbors are
welcoming' and 'Neighbors are
friendly' and 'Neighbors are...'

TELLY TICKET

Godwin stop!!! You don't want to
spoil what they're going to tell us
about.

GODWIN MERRYFEATHER

Sorry. I guess me and you better
go away before my blabber beak
spoils all the secrets.
