

Caption Shield enters crying

CAPTION SHIELD  
[Crying]. This is the last night  
of Bible School... (continue)

Let's call out Flame. Maybe he has  
an idea to make me feel better.  
Flame!

Get kids to call out Flame.

FLAME  
Caption Shield, are you ok.

CAPTION SHIELD  
I am sad that this is the last  
night of Bible School.

FLAME  
Don't be sad Caption Shield. I  
have an idea that might make you  
feel better. Lets sing our theme  
song.

Sing Theme Song

FLAME  
Did that make you feel better  
Caption?

CAPTION SHIELD  
It made me feel a little better.

FLAME  
I think I have another idea that  
will make you feel better. You  
know the hero codes we have been  
learning about during bible story  
time? I want to add one last hero  
code.

CAPTION SHIELD  
Is this another joke hero code  
Flame? I know you like to kid.

FLAME  
No this one is for real. Let me  
get my sidekick to bring it up  
here.

CAPTION SHIELD

You have your own sidekick Flame?

FLAME

Yes! His name is "Handsel".  
Handsel! Bring out the new hero  
code I wrote.

Handsel "the Hand" brings Flame a sheet of paper.

FLAME

Get it, HAND-sel.

CAPTION SHIELD

I get it Flame. Let's see what  
your hero code is. It says, "God's  
Heroes, Share."

FLAME

That's right, God's heroes share.  
And tonight everyone gets a chance  
to share what they learned during  
the week.

CAPTION SHIELD

Words...

FLAME

Ok Caption Shield, I'm going to hop  
down from here and get a good seat  
out there so I can see what  
everyone learned. But I'm too  
short to see over the pews so I'm  
going to have to sit in someone's  
lap. Will anyone out there let me  
sit in their lap?

CAPTION SHIELD

Ask someone if they will let Flame sit with them OR  
(Flame, you're kidding again.)

Everyone say bye to Flame!

Say bye to Flame.
